

Easy-Lock Cutter Heads

--- For corrugated knives

Application:

Use on high speed jointed moulders for precision profiling of solid woods.

Features:

- No grease pump required.
- Precise, quick, & simple to use with no messy grease.
- Piston pressure design.
- Body diameter 137mm, 150mm, 163mm.
- Cutting lengths: 60mm - 150mm
- Bore Sizes: 1-1/2", 40mm, 1-13/16", 50mm and 2-1/8".
- Working Pressure: 300 – 350 bars
- Max Pressure: 400 bars

Supply without the knives.
